

Informal Learning

Informal Adult Learning Courses are friendly groups in which people can share ideas, information and knowledge with others, while learning new skills.

The courses offer:

- a first step back into learning
- an informal approach
- opportunities within your local community
- a chance to improve your English and maths
- an Open College Network (OCN) accreditation
- crèche facilities

Content

This varies from group to group but includes craft, parenting skills and health and beauty.

How to Join

There are no entry requirements and anyone can join. Help with English and maths is available.
